Don't Jump Rope with a Frog

By Peng Yi and Jiu'er

★This Book won IBBY Excellent Illustrations award in 2016
It is an ordinary day, it is an ordinary family, but there is something out of ordinary. It is all because the incaution of Keke, a little boy. He broke the vase when he jumped rope in the sitting room. Keke's mother was furious about it and blamed him so that he came out to the yard. At the same time, an idea came to him that if anyone could accompany me for jumping rope, I would sent my mother to him free. As soon as he thought about it, the door was knocked. Elephant came first to ask for Keke's mother, but it's too big to jump rope. Hence, elephant can't have his mom. Then lion, giraffe, crocodile, ostrich, reindeer and lots of other animals came to ask for Keke's mother. Does Keke really spend his mother free with animals?

The Turtle Family Goes to the Sea

By Zhang Ning

★IBBY Honour List in 2018
★Won the 5th (2017) Feng Zikai Chinese Children's Picture Book Award

The book applies the unique method of embroidery patch and cloth cutting embroidery. The fabric used is cotton and linen, both machine-woven and hand-woven. The dyeing methods are Scrape pulp dyeing, batik and tie-dyeing, as well as dyeing with tool holders by the author. Collage techniques and multi-layered cloth dyeing effect add dimension to the illustrations, making them unique and artistic.

Bird in the Cloud

By Bai Bing and Yu Rong

Children's Literature

Mi Dou's Big Plans

By Zheng Chunhua and Hu Jiayue

Mi Dou's dad is gone. He misses him very much. During the summer vacation in Grade one, he makes big plans to do things that he once did together with dad alone. He meets Uncle Blackface and makes friend with his son Zaizai while he is carrying out his plans...

The author employs warm and unvarnished words to present a distinctive story about growth. Mi Dou's plans are likely to be childish and naive, yet, are full of power. It leads Mi Dou keeping pace to pace towards sunshine. As long as you face up to the loss with bravery, it could be a kind of power to support you.

Lonely Major

By Xue Tao

The game room in the village was broken, a group of children made the game realized in the real world. Group Bean was set up in Sun Village, and Group Millet was set up in Moon Village. I and my little brother joined Group Bean, but the major in Group Millet wanted to take our camp—the blockhouse. I thought it was just a lively game but I didn't know that a lonely heart was hidden behind. The elder sister of the major was once missed in the blockhouse, and the most possible criminal suspects Long White Wolf appeared again in the woodland at the same time. The Lonely Major began his lonely journey...

Eighth Route Children Air Force Series (6 Volumes)

By Ba Lu

This series tells the story about five teenagers, who joined in the eagle squad after selection. They experienced devil training, practiced professional skills, and fought against invasion of outer enemy, and gradually grew into the flying aces. They did not get their training in classrooms, but in the training field with real guns and bullets. By missions, their willpower was honed; skills strengthened, and even learned how to survive.

Give me a Sun

By Wang Luqi

This series is an impressive realistic work from young 90's author Wang Luqi. Based on normal daily life, it delivers a far-reaching and heart-shaking story through its natural narrative and literary power. Two pure and noble hearts of a pair of stay-at-home children are vividly shown in this book, which unfolds a moving and natural childhood of the sister and brother who love each other deeply and stay home together. It's a retrospect of the author's young age memories and an honest, natural story of childhood as well. It arouses infinite beautiful memories of our childhood.

Temporary Cover
