The book is designed to go abroad through various cultural exchange activities, to help foreign friends learn Confucian classics and understand Chinese culture; It is convenient for people from different cultural backgrounds to read and study *The Analects of Confucius* in order to build a bridge of communication and better serve the construction of the "Belt and Road".

《中国—新长征》

China – New Long March

Author: Qingdao Publishing Group & Australia Wilton International Limited

ISBN: 9787543678309

The Long March is one of the most influential events in modern history. In 1934, 80,000 Red Army soldiers were surrounded by powerful Kuomintang troops. They broke through the blockade and evacuated the Jiangxi Soviet base, and began an expedition of about 10,000 miles. It is an important work of the Mongolian people to understand the history of the Initiative Long March, and it is also the first batch of results of the "Belt and Road".

《京剧脸谱图解》

The Illustration of Facial Makeup in Beijing Opera

Author: Sheng Hua

ISBN: 9787103028162

As a means by which the face is decorated on stage, the Beijing Opera mask is an inseparable part of performing art of the opera itself. With different color designs painted on the face, the artist thus expresses a divergence of theatrical features and characters of the roles they play on stage, taking advantage of this unique angle from which they employ the skills of multi-color based artistic exaggerations and implications to enhance the intended effects.

《东学西渐》

Translatio Studii: Eastern Learning Spreading Westward

Author: Zhang Wang

ISBN: 9787115450654

Translatio Studii: Eastern Learning Spreading Westward series are presented in a novel and creative way of combining western and eastern cultural symbols. With deconstruction and isomorphism, the author created distinctive figures by incorporating Chinese traditional symbolic style elements into the household figures in the western culture like super heroes and monsters from audiovisual products.
